Perry County Transit RFQ Clarification questions

Clarification Questions & Answered: released October 17, 2025. 14:45 EST

1. If known, when is this project expected to go to bid for contractors and what is the expected start date for construction?
 - a. Perry County Transit is currently unable to specify the release date for contractor bids or the anticipated construction start date. Once an architecture and engineering (A&E) firm has been selected, PCT will collaborate with the Ohio Department of Transportation (ODOT), the A&E firm, and other County entities to establish a proposed project timeline.

2. Is the pre-submittal meeting at the same location as the walkthrough?
 - a. Yes, the meeting will be hosted at 499 N State Street, New Lexington, Ohio 43764. As well as online through the following link
